

LEHIGH UNIVERSITY  
Department of Civil Engineering & Mechanics

October 14, 1954

To Whom It May Concern:

Antonio Dias Ferraz Napoles Neto attended Lehigh University during the school year 1952-1953. As the recipient of the Hoppes Fellowship he performed research work in Soil Mechanics under Professor Cyril D. Jensen and pursued studies in the field of Soil Mechanics and related subjects. He passed with honor the following courses:

C.E. 340	Soil Mechanics	3 credit hours
C.E. 400	Research Methods	3 credit hours
C.E. 420	Runoff and Stream Flow	3 credit hours
C.E. 440	Soils Research	2 credit hours
C.E. 441	Foundation Engin- eering	3 credit hours

  
W. J. Eney  
Dept. Head & Fritz Lab. Dir.
